

Welcome Mid-Atlantic Field Hockey Campers!

Atracare has partnered with Mid-Atlantic to ensure campers have access to healthcare during their summer camps.

Atracare is an Urgent Care (Walk-In) Facility that offers a variety of medical services. On-site X-rays are available for campers that have suspected breaks and fractures. We also treat common medical issues such as: dehydration, eye and ear infections, vomiting and diarrhea, rashes and bug bites. We also offer rapid COVID PCR testing with 1 hour results.

We are located 10 minutes from Cape Henlopen State Park and are open 8am to 8pm every day.

All major insurances are accepted (except out of state Medicaid and Kaiser). However, if you must pay out of pocket our prices are all reasonable and listed on our website Self-Pay Page.

Appointments are easy to schedule via text message and Atracare prioritize Mid-Atlantic Field Hockey Campers. Text 302-517-1385 to get an appointment and we register patients before they arrive.

Welcome to the Cape Region!
